

Head-To-Toe Uniform Solutions for Convenience Stores

Convenience stores run on speed, consistency and presentation. Your team's uniform should keep up. Chef Works® delivers full-service uniform solutions designed for convenience retail — from branded polos and work shirts to durable workwear built for long shifts.

The right uniform does more than create a polished look. It helps employees feel confident, capable, and ready to perform.

The result is stronger teams, better customer experiences, and more consistent operations across every location.

Whether you operate a single location or manage multiple stores, we provide:

- Scalable uniform programs for all job functions
- Custom branding and a wide range of color options
- Durable, retail-ready workwear
- Cost-efficient solutions for multi-unit operators
- Easy online ordering and a dedicated customer team
