

ACTIVATE YOUR DIGITAL SCREENS TO INCREASE SALES BY UP TO 23%

ABOUT NEON

Neon is a modern, cloud-based platform that helps C-Stores & QSRS instantly update product promotions, showcase high-margin items, and deliver a consistent, high-impact visual experience across every screen. Through Neon's partnership with SaveMore, C-Stores receive a seamless CMS platform, discounted rates on screens, and support designed to elevate the guest experience and drive sales.

DRIVE SALES WITH DYNAMIC CONTENT

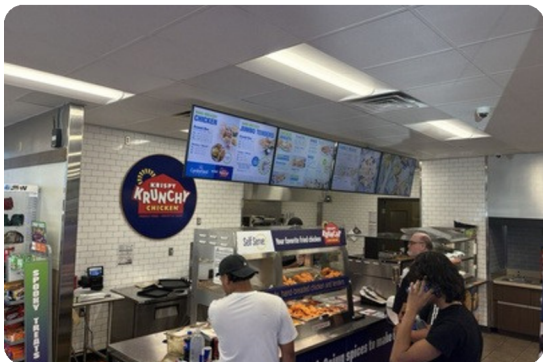

Showcase dayparts, upsells and combo meals using upgraded graphics, videos, and animations, to increase sales.

SCHEDULE & MANAGE CONTENT

Update & schedule your content across all stores from a single cloud-based dashboard.

US-BASED SUPPORT TO YOUR STORES

Support available by phone, text and email to ensure each of your stores are supported when help is needed.
